UK Mounting Hardware for Essential

ESSENTIAL 86X86 WALLPLATE 1 KEYSTONE WHITE

Aginode Ref: N423.635

- UK Style 86x86 wallplate with 1 port in keystone format
- Designed to accomodate 1 Essential-5 or -6 keystone connector
- One piece construction
- Spring loaded protective shutter
- Labelling window
- Supplied with set of labels
- Screws included
- Glossy white finish
- Also available in 2 port version

Application

This UK style wallplate is designed to accommodate one Essential keystone connector. It has standard 86 x 86 mm UK dimensions.

A two port version is also available (N423.630) - please refer to the specific datasheet.

Design

The wallplate comes in glossy white finish and has a labelling window above the port.

The plastic material is UL 94V-0.

Installation

The Essential keystone connector can be easily inserted in the wallplate with a simple one-click operation.

The wallplate is supplied with 2 screws for mounting on the wall or containment. A set of 2 white caps is included to cover the screws which enhances the appearance of the finished wall outlet.

The product is individually bagged and comes in boxes of 100 pcs.

STANDARDS

ISO/IEC 11801
