Coloured Shutters for Snap-In Structural Hardware

LANMARK SHUTTER DARK GREY 100X

Aginode Ref: N421.701DGR

- Protective shutters for Aginode Snap-In patch panels, ZD boxes and outlets
- Colour Dark Grey
- Packed in bag of 100

The white or black shutters supplied with Aginode patch panels, ZD boxes and outlets are removable and can be replaced with coloured versions.

This can be particularly useful to differentiate between services or applications at the patching side in the cabinet and also at consolidation points or user outlets in the work area.

The shutters are available in 8 different colours and are a perfect match for the coloured latch protectors of the LANmark UniBoot patch cords.

Available colours:

- Yellow
- Orange
- Red
- Green
- Blue
- Dark grey
- Black
- White

STANDARDS

ISO/IEC 11801

All drawings, designs, specifications, plans and particulars of weights, size and dimensions contained in the technical or commercial documentation of Aginode is indicative only and shall not be binding on Aginode or be treated as constituting a representation on the part of Aginode.
