Tools

TOOL - UNIVERSAL COMFORT TOOL FOR SNAP-IN CONNECTOR

Aginode Ref: N420.567

- Can be used with Evo Snap-In connectors : LANmark-6 Evo Unscreened (N420.660), LANmark-6A Evo (N420.66A), LANmark-7A GG45 (N420.735)
- Allows re-termination of the connectors

Application

All Aginode LANmark Snap-in connectors are toolless and can therefore be terminated onto the cable without the need for special tools. However, in order to ease the installation, the Universal Comfort Tool makes the termination action more comfortable. The tool is universal meaning that it can be used with all LANmark toolless Snap-In connectors (LANmark-6 and -6A EVO series and LANmark-7A GG45).

For the LANmark-6 and -6A EVO Snap-in connectors, the tool incorporates an extraction module allowing the removal of the connector respecting the possibility to re-use it.

STANDARDS

ISO/IEC 11801
