LANmark-OF-Snap-In-Adapter

LANmark-OF-Einbauadapter wurden für den Einbau in LANmark-OF-Einbaupaneele, ZD-Dosen und Steckdosen entwickelt.
Sie sind als SC-Einzelanschluss, SC-Duplex und LC-Duplex erhältlich.
Die Multimode-Adapter sind aquafarben, die Singlemode-Adapter sind blau und die Singlemode-APC-Adapter sind grün.
Da das Einrastkonzept die zeitaufwändige Verschraubung herkömmlicher Adapter ersetzt, wird Installationszeit eingespart.

STANDARDS

ISO/IEC 11801

All drawings, designs, specifications, plans and particulars of weights, size and dimensions contained in the technical or commercial documentation of Aginode is indicative only and shall not be binding on Aginode or be treated as constituting a representation on the part of Aginode.

LANmark-OF-Snap-In-Adapter
