

LANmark-OF Snap-In Adaptor

LANMARK-OF DUPLEX SC SNAP-IN ADAPTOR MULTIMODE VIOLET

Aginode Ref: N205.619V

LANmark-OF Snap-In adapters have been designed for installation into the LANmark-OF snap-in panels, ZD boxes and outlets.

Installation time is saved as the snap-in concept replaces the time-consuming screwing attachment of coupling devices.

The N205.619V is the SC duplex version in violet color for OM4 fiber optic solution.
