UK Mounting Hardware for Essential

To support the Essential range of products Aginode has developed a set of UK connecting hardware in Keystone format.

For LANmark specific connecting hardware, please refer to "UK Mounting Hardware for LANmark".

Aginode backboxes and cover plates have Euromod dimensions and are common throughout the Essential and LANmark ranges.

STANDARDS

ISO/IEC 11801

- ## LJ6 Keystone Module

  LJ6C shuttered module to accommodate one Keystone connector.
