

# Desktop Power Supplies for FTTO Switches

## DESKTOP POWER SUPPLY 54VDC/240W

**Aginode Ref:** 88646283

The LANactive Desktop power supply series is especially designed for Aginode LANactive DICE switches with 54V DC input.

- Power Supply for Aginode XGigaSwitch series
- Full PoE (IEEE 802.3af, at and bt) compatible
- Fanless design
- Output Power: 240 Watts
- Control-LED
- Primary Connection (100-240V AC) via C14 connector
- Secondary connection (54V DC):
  - Three core wire H03VV cord, 1m, with moulded 3-pin connector
- Mutual connection of function earth
- Low Voltage Directive "Protection Class I"
