European Mounting Hardware for Essential Keystone

ESSENTIAL EU STYLE 22.5 X 45 MODULE 1 KEYSTONE WHITE

Aginode Ref: N423.645

- Can accomodate one Essential-6 Keystone connector
- Protective spring shutter
- Glossy white
- Compatible with Essential 45x45 frame
- Also available in UK format 25x50mm

Application

The flat 22.5x45mm keystone module is designed to accommodate one Essential-6 keystone connector.

Design

The outlet comes in glossy white and has a protective spring-shutter and a labelling surface. The shuttered module is compatible with all Essential keystone structural hardware and fits into a variety of 45x45 formats on the market. The module is also available in UK dimensions 25x50 (N423.650).

The plastic material is UL 94V-0.

Installation

The Essential-6 keystone connector can be smoothly inserted in the module by a simple "one-click" operation. The module can be easily clicked into the 45x45mm Essential frame.

The modules are packed per box of 24 pcs. Connectors are not included.
