- Designed to accomodate 2 Essential-5 or -6 keystone connectors
- One piece construction
- Spring loaded protective shutters
- Labelling windows
- Supplied with set of labels
- Screws included
- Glossy white finishing
- Also available in 1 port version

STANDARDS

ISO/IEC 11801

Application

This UK style wallplate is designed to accommodate two Essential keystone connectors. It has standard 86 x 86 mm UK dimensions.

A one port version is also available (N423.635) - please refer to the specific datasheet.

Design

The wallplate comes in glossy white finishing and has a labelling window above each port.

The plastic material is UL 94V-0.

Installation

The Essential keystone connectors can be easily inserted in the wallplate with a simple one-click operation.

The wallplate is supplied with 2 screws for mounting on the wall or containment. A set of 2 white caps is included to cover the screws which enhances the appearance of the finished wall outlet.

The product is individually bagged and comes in boxes of 100 pcs.
