Wire Mesh Cable Tray

WIRE MESH CABLE TRAY U TYPE,200X100MM,EZ

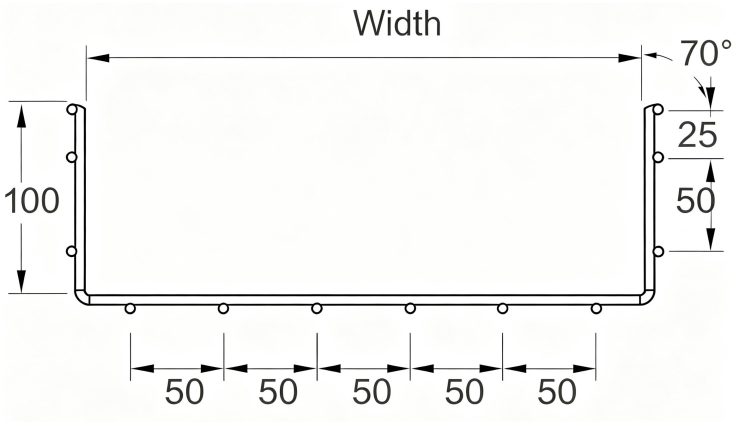

Aginode Ref: N380.200WG00EZ

Aginode wire mesh cable trays are designed with advanced sustainability in mind and are welded using high-strength steel bars. The electroplated finish provides a clean, professional aesthetic while ensuring the tray is suitable for open environments and provides effective protection for all cable products. Trays can be custom-cut to fit specific on-site installation requirements.
