

LANmark-OF Snap-In Adaptor

LANmark-OF Snap-In adaptors have been designed for installation into the LANmark-OF snap-in panels, ZD boxes and outlets.

They are available in single SC, duplex SC and duplex LC duplex. The multimode adaptors are aqua, the singlemode adaptors are blue while the singlemode APC adaptors are green.

Installation time is saved as the snap-in concept replaces the time-consuming screwing attachment of the traditional adaptors.

STANDARDS

ISO/IEC 11801

LANmark-OF Snap-In Adaptor

CHARACTERISTICS

Construction characteristics

| | |
|----------------|------|
| Colour | Blue |
| Connector type | SC |

All drawings, designs, specifications, plans and particulars of weights, size and dimensions contained in the technical or commercial documentation of Aginode is indicative only and shall not be binding on Aginode or be treated as constituting a representation on the part of Aginode.

Product list

| | Aginode ref. | Country ref. | Name | Colour | Connector type |
