LANmark-OF Anaerobic Connectors - Individually Packed

- Connector for on-site termination
- Installed using the Aginode anaerobic toolkit
- Suitable for installation on 900µm fibre as well as on cable

Aginode offers a large range of Fibre Optics connectors for field termination practices. All these connectors meet most recent standard ISO 11801 releases.

Connector type available :

- SC
- LC

For optimal installations, Aginode recommends to use its Anaerobic Toolkit (ref.: 102.220). This toolkit provides a comprehensive set of tools and consumables for easier on-site jobs and is supplied with illustrated installation manual.

STANDARDS

ISO/IEC 11801
