WALLDROP V2

WALLDROP V2 SPLICE TRAY KIT STANDARD. 10PCS

Aginode Ref: 10283087

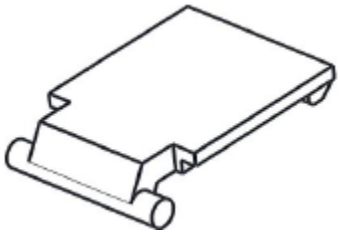

12OF splice tray kit for WALLDROP, including a slotted foam holders and a protective lids. Intended for use with WALLDROP configurations originally equipped with STANDARD trays (10.2 mm).

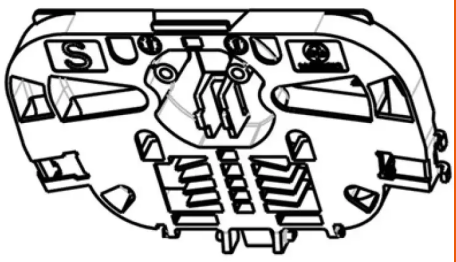

This kit is designed to replace an existing splice tray in a WALLDROP unit and serves as a maintenance spare part. If you need to expand splice capacity, please refer to the appropriate upgrade kit. This tray has a thickness of 10.2 mm and is not compatible with the SLIM splice tray (9.8 mm).

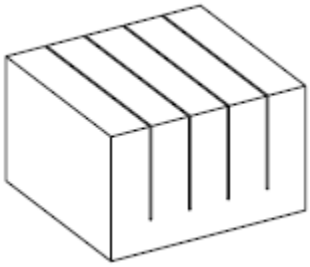

In addition to the tray, this kit also includes:

- Protective lids

- Foam holders
