Rack Unit Solution Accessories

INTERNAL CABLE TRAY 42U 200MM WIDTH FOR AGINODE RACK UNIT SOLUTION

Aginode Ref: NACC.CBT422G

Internal cable tray for Aginode rack

Internal cable tray made in steel for Aginode racks, in order to allow a good cable management inside the rack. The cable tray with a height of 42U will allow a cable support from the top of cabinet to the base.

His width of 200mm offer enough space to receive bundle cable necessary for the cabling rack.

All drawings, designs, specifications, plans and particulars of weights, size and dimensions contained in the technical or commercial documentation of Aginode is indicative only and shall not be binding on Aginode or be treated as constituting a representation on the part of Aginode.
