Wall-Mounted 19'' cabinets

W-M 19'' CABINET COF19 10U DOUBLE-SECTION

Aginode Ref: 10261233

Wall-mounted cabinet with a 19'' rack capacity 10U and a double-section.

The 19" wall-mounted cabinets COF19 can host all telecom equipment for 19’’ size (optical modules, active equipments, patchpanel with RJ45 jacks, ⋯) and thus answer to any type of network installation.

The modular design is suitable for a wide range of requirements:

- Width 600mm
- Depth 350+150mm with double-section or 400mm with removable side panels
- Height between 6U to 18U

Cabinets are equipped with :

- Glass door opening to the left with key lock (right side mounting possible)
- Double-section or Removable side panels with key lock
- Front racks 19’’ with adjustable depth
- Fixing plate for clamping or fanout systems
- Wall-mounting
- Plate for incoming cables with brush mounted on the roof or base (if cabinet returned)
- Precuts on the opposite side
- Grounding bar

Fixing and side panels opening
