DCmark Rack Unit Solution Collocation DC

DCMARK RACK UNIT SOLUTION COLLOCATION DC 42U 2 COMPARTMENTS

Aginode Ref: NRL2.420808340-B

DCmark RUS-Collocation DC rack is designed to maximize security, flexibility, and efficient space utilization in shared data center environments. Their reinforced structure and advanced access control options ensure reliable isolation between tenants. Engineered for seamless integration, clean cabling, and scalable growth.

Rack are equipped with 2 compartment of 20U; each have a single front perforated door, lockable by key. Each key have a specific number for the confidentiality.

Cable entries with brush panel equipped the roof and serve the different compartment through closed cable ducts to offer a high level of security and avoid having access to the cable to all the tenants.

DCmark RUS-Collocation DC rack is designed to maximize security, flexibility, and efficient space utilization in shared data center environments. Their reinforced structure and advanced access control options ensure reliable isolation between tenants. Engineered for seamless integration, clean cabling, and scalable growth.

The Rack NRCL2 is equipped with 2 compartments of 20U with a total loading capacity of 1500Kg. Each compartment have a single front perforated door and double rear perforated door.

To ensure a high confidentiality of the tenant, each compartment have is own key with a specific number printed on the barrel (Aginode is the only part knowing the correspondace between this code and the key number).

Cable entries with brush panel equipped the roof and serve the different compartment through closed cable ducts to offer a high level of security and avoid having access to the cable to all the tenants.

DCmark Rack Unit Solution Collocation DC 42U 2 compartments

Characteristics

结构特性	
柜式	19"
Compartment number	2x20U
颜色	黑
电缆引入线	Entrée supérieure via passe-fil balai et chemin de câble fermé
材料	钢
机架版本	Collocation
Type of front door	Simple porte AV perforée
Type of rear door	Double porte AR perforée
尺寸特性	
19'' mounting	Avant & Arrière
Compartment Height U	20U
高度	2017 mm
宽度	800 m
近似净重量	128 kg
深度	800 mm
高度单位	42 U
机械特性	
IK Rating	07
使用特性	
Locking system	Clé individuelle par compartiment
IP等级	IP20
Key type	Numéro spécifique & unique
